

# The Albany Expectations

We all have a right to ...	So our responsibility is to ...
Feel Safe	Take care in our words and actions so that others feel safe
Be treated with respect	Make sure our words and actions do not harm or upset others
Learn and achieve	<b>Believe</b> we can, <b>engage</b> in activities, and challenge ourselves in our thinking and learning so that we can make progress and <b>achieve</b>
Be heard	Listen to and take account of other people's ideas and opinions
To feel valued	Recognise and celebrate the ideas, achievements, skills and abilities in others and ourselves.

I am ok. You are Ok.  
Anyone can think.  
Everyone can change.

In taking care of our words and actions, we take care of others and ourselves.  
When we take responsibility for the impact we have, we are able to restore relationships and move forward.
