

Assistant Headteacher – full time from September 2022

Leadership Group L4 to L7 (currently £45,434 to £49,019)

Teaching Commitment 0.55FTE

We are looking to appoint a highly motivated individual, passionate about making a difference for vulnerable children, looking to take the first step into senior leadership.

The Albany will start a new chapter in its development, with the opening of a small post 16 provision from September 2022. We also have 16 specialist SEMH places. We need to add capacity of our leadership team through the appointment of an Assistant Headteacher. The successful candidate will support the Executive Head and Head of School, leading on Personal Development, including leading on transition and careers.

We believe everyone matters, creating a family of young people and staff who grow and learn together. Our 'relationships are the key to our success in re-engaging pupils with their education.' [Ofsted 2017]. Pupils are grouped in cross phase classes taught in a primary methodology, enabling much stronger adult-pupil and pupil-pupil relationships to be fostered. Our primary aim is to 'transform pupils' lives' [Ofsted 2017] through improved educational outcomes, building sustainable change within our children so that they become resilient, emotionally articulate young people able to positively engage in the next steps of their education.

We can offer you

- an opportunity to develop yourself as a senior leader with the support of an experienced Head and Local Governing Body
- Opportunities to engage with professional supervision and coaching
- Trust wide experiences within the specialist sector
- A highly valued employee assistance programme
- A family of staff and students who pull together as a team
