Fixed term until 31.03.2023 in first instance

Grade 3 £19,264 - £20,043 pro rata

- **Are you an agent of change?** Do you have a growth mind-set; believing anything is possible if you put your mind to it?
- Do you want to help young people with social, emotional and mental health challenges **re-engage with learning to enhance their life choices**?
- Can you help our pupils **believe** in themselves, **engage** with their learning, and **achieve** highly?
- ✓ If the answer is yes, we want you to work with us to help transform the lives of our pupils and their families.

You will be working with secondary students who are at risk of exclusion or who are highly disaffected with education, to help them successfully re-integrate back into mainstream school or a post 16 destination. At The Albany we take learning beyond the classroom, using the local area as our teaching resource so you need to have access to your own transport. We can offer creative and personalised CPD, a great wellbeing package and a fantastic team to work in, as well as opportunities to develop yourself and your career further.

As an LSA you will play a significant part in helping co-create sustainable change in our students, building their 'passport to their future'. You will be confident working with students within a classroom environment supporting colleagues, and also able to work on your own with small groups / individuals on learning activities and enrichment programmes, outside the classroom, including literacy and numeracy catch-up.

We can offer you

- Support to grow your skills and career further
- Opportunities to engage with professional supervision and coaching
- Trust wide experiences within the specialist sector
- A highly valued employee assistance programme
- A family of staff and students who pull together as a team

Visits to the school are encouraged. Please contact Sharon Ungless, the Head teacher's PA, to arrange a visit.
